The HOLY GRAIL of home building has arrived

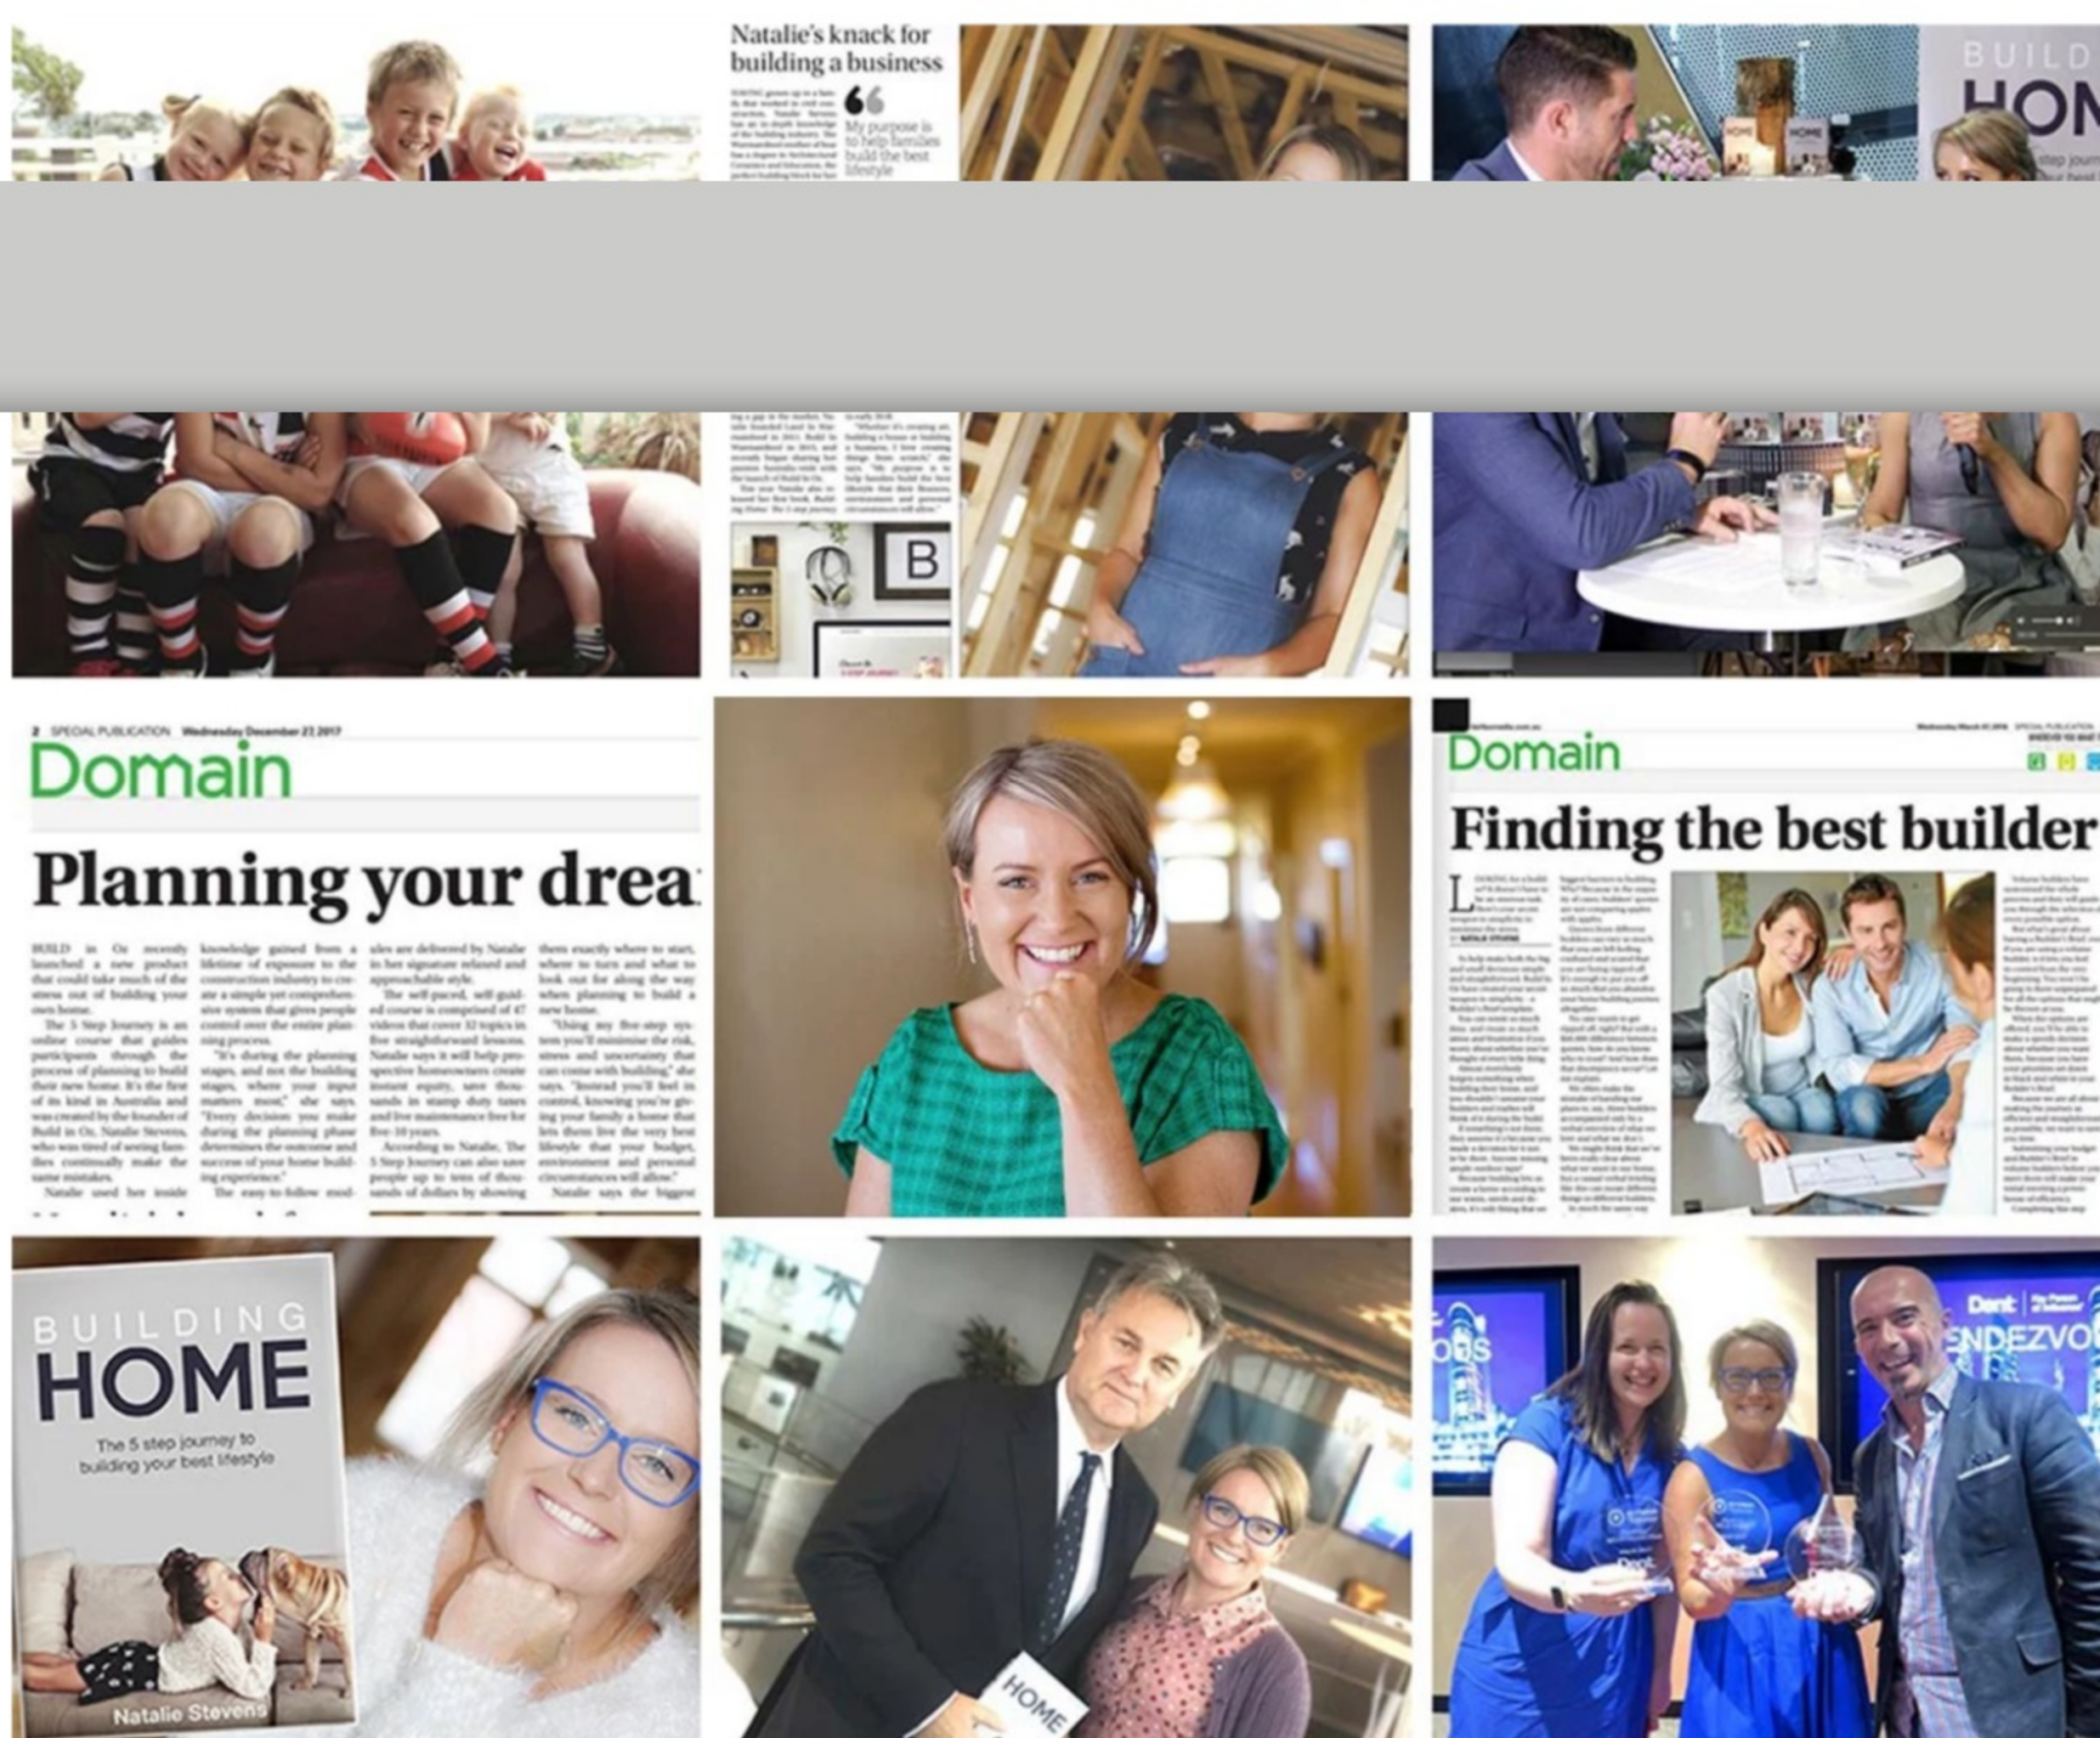

It's during the planning stage where all the big mistakes are made, only you won't know you've made them until it's too late. If you don't know these things, then builders, bankers, agents...they are going to LOVE you! It will be so easy for them to tell you what they want you to know, instead of what you need to know... And, the problem is that you don't even know what they aren't telling you!

Knowing the secrets, tips and tricks during the vital planning stages will ensure you dodge the risks and avoid budget blow out
